

MIXING TABLE

Each Peppard mix is specifically designed to do the job you want, whether it be a simple kerb bedding, or a mass concrete fill. So if you are unsure of what you need, please contact us, and we will be happy to advise you on what concrete you need to complete your project.

We have listed a few general mixes which cover many applications, but if your project is not listed here, or if you are unsure of your needs please contact us on **0118 924 2405**.
